Healthy Footsteps for 50 Plus

Walks with a Difference Series

Geology Walk

Saltwells Nature Reserve is a geological site hosting two national sites of special scientific importance for geology. The site shows two distinctly different conditions have been present.

There are several points of interest around the whole site.

Join us around this beautiful reserve and find out more dating back between 420 and 417 millions years ago.

Thursday 25th January

10.30am start

Up to 3 miles

2 - 3 hours

£3
